Material Model	Customized according to drawings and other requirements (C45, 1045)
Forging Ratio	**≥ 3** and **10** (Forging Volume and Size: **ROD, SQ, SHAFT**)
Specification	**ROD** and **SHAFT**, according to the drawing and **Manufacturer**
Surface Finish	**Black**, anodized, Chromium, Nickel, electroplated, LED coatings, antibacterial, Tube and Rod are also lubricate, and chemicals, etc.
Machining Accuracy	**Rough Machining** and **Fine Machining**
Heat Treatment Process	**Hot Forging** and **Heat Treatment**
Tolerance Control	**Rough Machining** Tolerance: **±0.5 mm**; **Fine Machining** Tolerance: **±0.05 mm**
Packaging Method	**Wooden Box**, **Wooden Pallet**, **Wooden Crate**, **Plywood Box**, **Plastic Film**, **Bubble Wrap**, **Foam Protection**, **Anti-Rust Paper**, **Moisture-Proof Packaging**, **Shock-Resistant Packaging**
Delivery Time	**30** Days
Trade Terms	**FOB**(Shanghai) / **EXW** / **DDP**(Door to Door)
Notes	**Customized** according to **drawings**, **Material** and **other specs**. **Immediate Notification** if **materials** or **specs** are **unavailable**.
Customer Support	**24** Hours **Technical Support**, **Drawings**, **Title for Quotation/Order**, **Photoshoot/Packing**
