

Supplier : XY-GLOBAL

Inspector: Leo

Description	Finished Q'ty	Sample Size	Defect Found	Defects Description	Acceptable Q'ty
XY31SY26	20000PCS	1% inspection	Opcs	No failure	20000pcs

The inspection sample plan is 100% inspection.

A stack of four cardboard boxes, each labeled "XY-GLOBAL", illustrating the concept of a stack data structure. The boxes are stacked vertically, with the top box being the most accessible, demonstrating the Last In, First Out (LIFO) principle.
