

PROCESS

Technological process

Process	Equipment	Materials	People
1. Design	Computer	Software	Engineer
2. Development	Computer	Software	Engineer
3. Testing	Computer	Software	Engineer
4. Deployment	Computer	Software	Engineer
5. Maintenance	Computer	Software	Engineer
6. Support	Computer	Software	Engineer
7. Training	Computer	Software	Engineer
8. Documentation	Computer	Software	Engineer
9. Security	Computer	Software	Engineer
10. Compliance	Computer	Software	Engineer
11. Audit	Computer	Software	Engineer
12. Review	Computer	Software	Engineer
